## Mobility, Regional Attractiveness and Cohesion in Europe's Twin Transition

### MOBI-TWIN Final Conference

4 May 2026 | European Committee of the Regions | Brussels

Dear Colleague,

On behalf of the MOBI-TWIN consortium, we are delighted to invite you to the Final Conference of the Horizon Europe MOBI-TWIN project, titled ***"Mobility, Regional Attractiveness and Cohesion in Europe's Twin Transition"***.

The conference will take place on **Monday, 4 May 2026**, from **09:30 to 17:00 CEST**, at the **European Committee of the Regions** (Room VMA 21, Rue Van Maerlant, 1040 Brussels, Belgium).

This event marks the culmination of three years of research within the MOBI-TWIN project. It offers a unique opportunity to engage with the latest evidence on how Europe's green and digital transitions are reshaping spatial mobility, regional attractiveness, and territorial cohesion across the continent.

### What to Expect

The full-day programme features keynote addresses, scientific presentations, policy panel debates, and a cross-project session with related Horizon Europe initiatives. Key topics include new mobility datasets and mapping tools, evidence-based policy intelligence for regions, future labour market scenarios under the twin transition, and strategies for regions experiencing population decline and brain drain.

The conference will be an in-person event, offering ample networking opportunities throughout the day, including a networking lunch.

**Important Deadline:** Registration is mandatory for security purposes and will remain open until **28 April 2026, 17:00 CEST**.

**European Committee  
of the Regions**

**Disclaimer:** This event is hosted at the European Committee of the Regions. The views expressed during the conference are those of the speakers and do not necessarily reflect the official position of the European Committee of the Regions.

The European Committee of the Regions is not responsible for the content of this event.
